

Farmer's Market Begins Again in August

Whatever your talent, gardening, artwork, etc., you will have the opportunity to share it with our community.

West Bountiful City will hold a weekly Farmer's Market each Wednesday beginning August 9th thru October 4th from 4:00 p.m. until 7:00 p.m. You will need to supply your own table and shelter and signage.

Whether you are selling, buying, or trading, our Farmer's Market is for everyone! Contact Councilmember Debbie McKean for more information at 298-3179. We especially welcome all your extra produce.

Old Photographs Sought

West Bountiful City is sponsoring a "Design your own Postcard" for the city to collect historic photos of the community and its people.

Enter a 4x6 photo, with your name and address on back, attached to a talent form, available at City Hall or the West Bountiful Website. Photos should be suitable for the use of becoming a postcard or calendar or other advertising purposes for West Bountiful City. (No originals please, but scanned copies of old original photos would be welcome, as entries will not be returned, but become the property of West Bountiful City.

Hey Kids!

Decorate your bikes, scooters, wagons, etc. and enter the Fourth of July Parade Kids Entry Section. Please meet at the south parking lot of the school at 8:30 a.m. on July 4. You may want to pack a water bottle to help you keep as cool as your entry.

Some 85 entries including community and business floats will highlight the July 23 parade

Handcart Days Parade Theme: "Pioneers, Past and Present"

The Bountiful Handcart Days Celebration is produced every year by residents of Woods Cross, Bountiful, and West Bountiful. This year the Grand Parade will be on Wednesday, July 23, and applications for entries in the parade are due by June 22, along with a \$50 fee. There'll be a total of about 85 entries, and it's going to be a wonderful parade! There will be bands, floats, old cars, veterans, clowns, children, candy, and lots of cheering, because everyone loves a parade!

The theme is "Pioneers, Past and Present," and there's a desire for parade entries that honor our military families and veterans, as well as entries that honor our original and modern pioneers.

There'll be story time at the library about "Pioneers, Past and Present" on Monday, July 21 at 7 p.m. All children young and old are invited to come and listen!

Everyone is invited to participate! See our website (handcartdays.org) for additional information.

Karen Call Honored as Mother of the Year

All Karen Call has ever wanted to be was a mother. When she married Larry Call in 1975 he had three children. Realizing that she could not have children of her own, Karen and Larry moved mountains and sacrificed greatly to adopt four children. With Larry's children being older, Karen became a first time mom and grandma almost at the same time. **Now Karen is the mother of seven and grandmother of nine and great-grandmother of four, and she's been a wonderful mother to all of them.**

A close friend Dianne Smith said "Karen's example of unconditional love and dedication to her children has been a wonderful example to her. She has such a love not only for

her own children, but all children. Ten years ago Karen and Larry's son was killed in an auto accident. This was a difficult time for them but as they reached out not only to their own children, but to his friends, helping to soothe aching hearts, they found peace in their own. Friends and neighbors watched in amazement as Karen and Larry reached out to their son's birthmother and helped her through her grief.

"Karen is truly a wonderful friend, neighbor, wife, and mother. She is very loving and understanding and one of the friendliest persons I know. She doesn't let hard times and trials get her down. She remains positive and hopeful that things will work out. Even now she is undergoing treatment for non-curable multiple Myeloma cancer and is unable to be with us today."

We as a city, along with her friends and family congratulate Karen on being West Bountiful's Mother of the Year.

Legacy Highway Update

by Councilwoman Valerie Shaw

A few weeks ago the City Council took a tour of Legacy Highway to see how the project was progressing through West Bountiful. We had several questions about what the finished project was going to look like and if it would be what the residents in West Bountiful were anticipating.

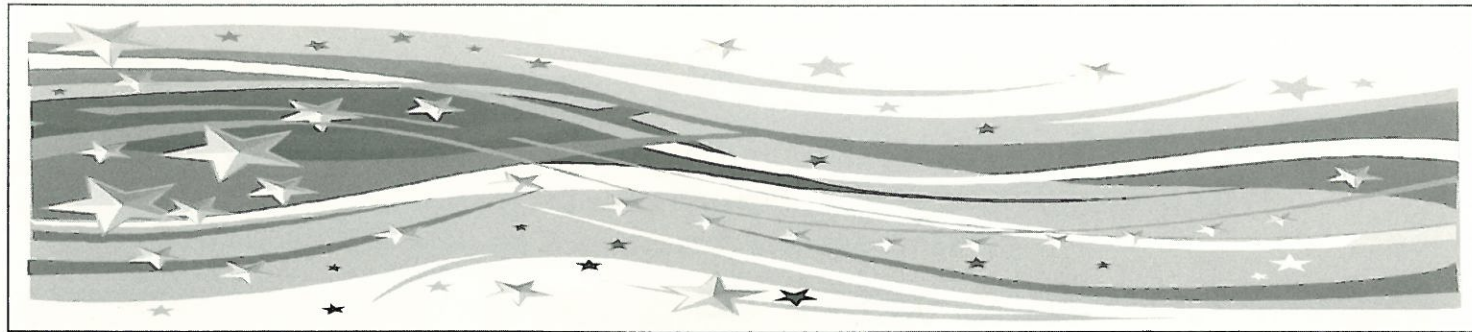

Due to questions from residents about the berms, we have asked UDOT to set a time to meet with the citizens in West Bountiful to answer any questions that residents may have about the Legacy Project. The city council wants to make sure that we are looking out for the best interests of the people who live along the corridor and are impacted most as a result of the new road. We encourage you to attend the meeting and ask questions about what the project will look like, noise impact, and any safety concerns.

Attention All Artists
